Notwithstanding any other provision of these Bylaws, not more than forty-nine percent (49%) of the persons serving on the Board may be interested persons. Revised 8/6/2014
• Any Director may resign from office upon giving written notice to the Association Secretary, unless the notice specifies a later time for the resignation to take effect.

Vacancies on the Board (including vacancies created by removal of Directors) may be filled with Member(s) in good standing by approval of the Board or, if the number of Directors then in office is less than a quorum, by:

• The unanimous written consent of the Directors then in office,

• The affirmative vote of a majority of the Directors then in office at a meeting held pursuant to notice or waivers of notice complying with the Articles; these Bylaws, and other applicable provisions of law, or

• A sole remaining Director.

A person elected to fill a vacancy as provided by this Section 5 shall hold office until the remainder of the term has been completed or until his/her death, resignation, or removal from office.

5.10 - Every Director or Officer of the association, and his heirs, executors, the administrators, and estate and effects, respectively, shall be indemnified and saved harmless out of the funds of the Association from and against:

• All costs, charges and expenses whatsoever that he sustains or incurs in or about any action, suit or proceeding that is brought, commenced or prosecuted against him, for or in respect of any act, deed, matter or thing whatsoever, made, done or permitted by him, in or about the execution of the duties of his office; and

• All other costs, charges and expenses that he sustains or incurs in or about or in relation to the affairs thereof.

Provided only that such costs, charges or expenses are not occasioned by his own willful neglect or default.

Indemnification may be provided by the Association only to the extent allowed by, and in accordance with the requirements of, Section 7237 of the California Nonprofit Mutual Benefit Corporation Law.

5.11 - The Board may adopt a resolution authorizing the purchase and maintenance of insurance on behalf of any agent of the Association (including a Director, officer, or employee) against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not the Association would have the power to indemnify the agent against such liability.

5.12 - Meetings of the Board of Directors may be held at any time and place to be determined by the Directors. Regular meetings of the Board shall be held at least twice per Association year. Any meeting of the Board may be held using conference telephone or similar communications equipment, so long as all Directors participating in such meeting can communicate with each other.

5.13 - The regular meeting schedule (including date, time and location) for the following year shall be established prior to or at the last Directors meeting of each calendar year. Written notice of the schedule shall be given to all Directors promptly after that meeting. Once the
meeting schedule is established, the dates, times, or locations of such regular meetings shall not be altered without notice to all Directors.

5.14 - Special meetings of the Board (and regular meetings if not previously scheduled) may be called by the Chairman of the Board, or in the Chairman of the Board’s absence by the Vice Chair, or by a majority of Directors. Such meetings shall be held at the place designated by the person or persons calling the meetings, and in the absence of such designation, at the Headquarters Office.

The notice shall be deemed to be delivered on its deposit in the mail or on its being sent if by electronic means. Such notices shall be addressed to each Director at his address as shown on the roster of the Association.

5.16 - Notice of the time and place of reconvening an adjourned meeting need not be given to absent Directors if the time and place of the reconvened meeting are fixed at the adjourned meeting and the reconvened meeting is held no more than twenty-four (24) hours from the time the original meeting is adjourned. If the reconvened meeting is held more than twenty-four (24) hours after the original meeting is adjourned, notices shall be given to Directors absent from the adjourned meeting.

5.17 - No errors or omissions in giving notice of any meeting or adjourned meeting of the Board of Directors shall invalidate such meeting or make void any proceedings taken thereat. A Director may waive notice of any such meeting and ratify, approve, and confirm any or all proceedings taken or had thereat.

5.18 - A quorum shall consist of a majority of the Directors actually serving at the time in accordance with these Bylaws. If all the Directors consent thereto generally or in respect to a particular meeting, a Director may participate in a meeting of the Board or of a committee of the Board by means of such conference telephone or other communications technologies as permit all persons participating in the meeting to communicate with each other, and a Director participating in such a meeting by such means is deemed to be present at the meeting. To be included in the quorum, a Director must attend the meeting in person or, with requisite unanimous consent, by conference telephone or other communications technology, and cannot be represented by proxy.

5.19 - Except as otherwise provided in these Bylaws or in the Articles of Incorporation of the Association, or by law, no business shall be considered by the Board at any meeting at which a quorum, as herein defined, is not present, and the only motion which the chair shall entertain at such a meeting is a motion to adjourn. However, a majority of the Directors present at such a meeting may adjourn from time to time until the time fixed for the next regular meeting of the Board.

5.20 - When a meeting is adjourned for lack of a quorum, it shall not be necessary to file any notice of the time and place of the adjourned meeting or of the business to be transacted at such meeting, other than by announcement at the meeting at which adjournment is taken, except as provided in Section 5.16.

5.21 - Directors present at a duly called and held meeting at which a quorum is
initially present may continue to do business notwithstanding the loss of a quorum at the meeting due to withdrawal of Directors, provided that any action thereafter must be approved by at least a majority of the required quorum for such meeting or such greater percentage as may be required by law or by the Articles of Incorporation or these Bylaws.

5.22 - Every act done or decision made by a majority of the Directors present at a meeting duly held at which a quorum is present is the act of the Board, unless the Articles of Incorporation, these Bylaws, or provisions of the California Nonprofit Mutual Benefit Corporation Law require a greater percentage or different voting rules for approval of a matter by the Board.

5.23 - Meetings of the Board shall be presided over by the Chairman of the Board of the Association or, in his absence, by the Vice Chair or, in the absence of each of these persons, by a Director chosen by a majority of the Directors present at the meeting. The Association Secretary shall act as secretary of all meetings of the Board, provided that, in his absence, the presiding Director shall appoint another Secretary of the meeting.

5.24 - The Association Secretary or designated staff member shall record the minutes of all meetings of the Board to include the time and place of the meeting, whether regular or special, how called, how notice thereof was given, the names of those present or represented at the meeting, and the proceedings thereof. In the event that a staff member prepares the minutes of the meeting, their distribution will not be carried out until approved by the Association Secretary or in his absence another member of the Executive Committee.

5.25 - All bylaws and resolutions of the Directors shall be made, enacted or passed at duly convened meetings. Nevertheless, any action required or permitted to be taken by the Board under provision of law may be taken without a meeting, if all members of the Board shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of the Directors. Any certificate or other document filed under any provision of law which relates to action so taken shall state that the action was taken by unanimous written consent of the Board without a meeting and that the Bylaws of the Association authorize the Directors to so act, and such statements shall be prima facie evidence of such authority.

15.05 - Notice of a meeting of members or any report shall be given either personally or by mail or other means of written communication, addressed to the members at the address of such members appearing on the membership roster of the Association or given by the members to the Association for the purpose of notice; or if no address appears or is given, at the Headquarters Office or by publication of notice of the meeting at least once in a newspaper of general circulation in the county in which the Headquarters Office is located. Notice shall be deemed to have been given when delivered personally or deposited in the mail or sent by telegram, electronic facsimile, or other means of written communication. The record date for purposes of determining the members entitled to notice, voting rights, written ballot rights, or any other right with respect to a meeting of members or any other lawful membership action, shall be fixed pursuant to Section 7611 of the California Nonprofit Mutual Benefit Corporation Law.

15.06 - Notice of a membership meeting shall state the place, date, and time of the meeting, and:

The date for such meeting shall be fixed by the Executive Committee and shall not be less than thirty five (35) nor more than ninety (90) days after receipt of the request for the meeting by the officer. If the notice is not given within twenty (20) days after the receipt of the request, persons calling the meeting may give the notice themselves.

15.08 - The transaction of any meeting of members, however called and noticed, and wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice or a consent to the holding of the meeting or an approval of the minutes thereof. All such waivers, consents and approvals shall be filed with the Association records or made a part of the minutes of the meeting. Waiver of notices or consents need not specify either the business to be transacted or the purpose of any regular or special meeting of members, except that if action is taken or proposed to be taken for approval of any of the matters specified in Section 15.09, the waiver of notice or consent shall state the general nature of the proposal.

15.09 - If action is proposed to be taken or is taken with respect to the following proposals, such action shall be invalid unless unanimously approved by those entitled to vote or unless the general nature of the proposal is stated in the notice of meeting or in any written waiver of notice:

- Removal of Directors without cause;
- Filling of vacancies on the Board by members;
- Approval of transactions involving Directors;
- Amending the Articles of Incorporation;
- An election to voluntarily wind up and dissolve the Association; and
- Approval of a plan of distribution upon dissolution of the Association.

15.10 - Two percent (2%) of members in good standing, present in person, or represented by written proxy, shall constitute a quorum for the transaction of business at any meeting of the membership. The members present at a duly called and held meeting at which a quorum is initially present may continue to do business notwithstanding the loss of a quorum at the meeting due to withdrawal of members from the meeting, provided that any action taken after the loss of a quorum must be approved by at least a majority of the members required to constitute a quorum. In the absence of a quorum, any meeting of the members may be adjourned from time to time by the vote of a majority of the votes represented in person or by proxy at the meeting, but no other business shall be transacted at such meeting. When a meeting is adjourned for lack of sufficient number of members at the meeting or otherwise, it shall not be necessary to give any notice of the time and place of the adjourned meeting or of the business to be transacted at such meeting other than by announcement at the
meeting at which the adjournment is taken of the time and place of the adjourned meeting. However, if after adjournment a new record date is fixed for notice or voting, a notice of the adjourned meeting shall be given to each member who, on the record date for notice of the meeting, is entitled to vote at the meeting. A meeting shall not be adjourned for more than forty-five (45) days.

15.11 - Every act or decision done or made by a majority of members present in person or by proxy at a duly held meeting at which a quorum is present is the act of members, unless the law, the Articles of Incorporation of the Association, or these Bylaws require a greater number.

15.12 - Each member in good standing present or represented by written proxy is eligible to vote and entitled to one (1) vote on each matter submitted to a vote at any Meeting of Members.

15.13 - Any member may appoint as proxy any other member to vote at any Meeting of Members. The same member shall file this proxy in writing with the Association Secretary at least seven (7) days prior to the meeting. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. The maximum term of any proxy shall be three (3) years from the date of its execution.

15.14 - Meetings of the Members shall be presided over by the Chairman of the Board of the Association or, in his absence, by the Vice Chair of the Association or, in the absence of both of these persons, by a chairperson chosen by a majority of the members present in person or by proxy. The Association Secretary shall act as Secretary of all Meetings of Members, provided that, in his absence, the presiding officer shall appoint another person to act as Secretary of the Meeting.

Meetings shall be governed by Robert's Rules of Order insofar as such rules are not inconsistent or in conflict with these Bylaws, the Articles of Incorporation of this Association, or any provision of law.

15.15 - Any action which may be taken at any regular or special Meeting of Members may be taken without a meeting if the Association distributes a legally recognized ballot to each member entitled to vote on the matter. The ballot shall set forth the proposed action, provide an opportunity to specify approval or disapproval of each proposal, provide that where the person solicited specifies a choice with respect to any such proposal the vote shall be cast in accordance therewith, and provide a reasonable time within which to return the ballot to the Association. Ballots shall be mailed or delivered in the manner required for giving notice of meetings specified in Section 15.05. All legally recognized ballots shall also indicate the number of responses needed to meet the quorum requirement and, except for ballots soliciting votes for the election of Directors, shall state the percentage of approvals necessary to pass the measure submitted. The ballots must specify the time by which they must be received by the Association in order to be counted. Approval of action by legally recognized ballot shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the action at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

Directors may be elected by legally recognized ballot. Such ballots for the
election of Directors shall list the persons nominated at the time the ballots are mailed or delivered. If any such ballots are marked "withhold" or otherwise marked in a manner indicating that the authority to vote for the election of Directors is withheld, they shall not be counted by votes either for or against the election of a Director.

A legally recognized ballot may be revoked after its receipt by the Association or its deposit in the mail, whichever occurs first. Legally recognized ballots may be returned via postal mail or alternative electronic means.

15.16 - This Association shall make available to members reasonable nomination and election procedures with respect to the election of Directors by members. Such procedures shall be defined by the Board from time to time and shall be reasonable given the nature, size and operation of the Association, and shall include:

• A reasonable means of nominating persons for election as Directors;

• A reasonable opportunity for a nominee to communicate to the members his qualifications and the reasons for the candidacy; and

• A reasonable opportunity for all nominees to solicit votes.

If the Association distributes any written election material soliciting votes for any nominee for Director at the Association's expense, it shall make available, at the Association's expense, to each other nominee, in or with the same material, the same amount of space that is provided any other nominee, with equal prominence, to be used by the nominee for a purpose reasonably related to the election.

Generally, any person who is qualified to be elected to the Board may be nominated. However, if the Association has five hundred (500) or more members, any of the additional nomination procedures specified in subsections (a) and (b) of Section 7521 of the California Nonprofit Mutual Benefit Corporation Law may be used to nominate persons for election to the Board. If the Association has five thousand (5,000) or more members, then the nomination and election procedures specified in Section 7522 of the California Nonprofit Mutual Benefit Corporation Law shall be followed by this Association in nominating and electing persons to the Board.

15.17 - Except as otherwise provided in these Bylaws, any action required or permitted to be taken by the members may be taken without a meeting, if all members shall individually or collectively consent in writing to the action. The written consent or consents shall be filed with the minutes of the proceedings of the members. The action by written consent shall have the same force and effect as the unanimous vote of the members.
